14 May 1980

ODP # 0-652

MEMORANDUM FOR: Deputy Director for Administration

FROM: 25X1A

(C)

Chief, Information Management Staff, DO

SUBJECT: CRAFT Project Proposal

1. Enclosed is a copy of the CRAFT Project Proposal which was prepared by a team of officers from Information Management Staff, Office of Data Processing, Office of Communications and Office of Security. Within a few days copies of this paper will be provided to ODP, OC, OS, OL, OF and the SSA/DDA.

25X1A

2. Because of the excellent cooperation of the Office of Communications, the [REDACTED] testbed for CRAFT became operational this week. This means that the [REDACTED] office in [REDACTED] can prepare text on a word processor and feed it directly to communications equipment through an interface we developed using a paper tape. Eventually the paper tape will be eliminated.
